NEED THE ANSWER?

Ask a teenager that never grows up.

"The simple believes every word, but the prudent considers well his steps. A wise man fears and departs from evil, but a fool rages and is SELF-CONFIDENT." Proverbs 14:15-16

So many people have all the answers, legends in their own minds, willing to risk their eternity and the lives of their own children, just to live their lives on their own terms because they believe they are their own God that can choose their own personal agenda without being held accountable for their choices, instead of God's agenda documented in THE Holy Bible, whether that Bible is Protestant, Catholic, Torah, as 2 Timothy 3:16 says "All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness."

Unless you have STUDIED ALL SCRIPTURE, worshiped in ALL Churches with God chasers from ALL who believe in God Jehovah of the Holy Bible, you can't possibly have all the answers and maybe should re think giving advice as the "answer man" others trust.

I have worshiped in Mormon Churches, Catholic Churches, Jewish Synagogues (Synagogue means "House of Assembly") most Protestant denomination Churches, including Christian Science and 8 different flavors of Baptists, all done in many different countries in different languages as well as in many states in the USA.

I have studied all the texts mentioned above AND I am considered by many as an expert in the Muslim Quran and beliefs, having authored books and documentaries speaking/exposing truth in love.

There are 3 things I know for sure...

1. Only the Creator God of THE Holy Bible is truly Sovereign and I have a personal relationship with Him I cherish above all things.
2. The more I am a God Chaser, study, learn, and experience the more I become aware how very little I really know, but God knows.

My favorite College Professor Sam Martin had teaching certificates in 17 subjects, the most brilliant man I had ever met who made me realize as a teenager that I really did not have all the answers, so I grew up by submitting to his teaching I often challenged boldly, but grew by learning my position was not as informed as his position.

Sam Martin only had one frame on his office walls, which struck me like a bolt of lightning every time I saw it... you see this man could have plastered his office walls with diplomas, certificates of achievement, etc. but chose only to hang one frame with these words that drove me from that day to this day...

"The first step to knowledge, is to realize one is ignorant." This is the 3rd thing I know for sure.

When we realize this, we grow in understanding that only God of THE Holy Bible has all the answers, so we choose to either submit to the only Sovereign Creator God of THE Holy Bible, be CONFIDENT in Him or we choose to be SELF CONFIDENT, as described in Proverbs 14:15-16, so I pray for all those I love to grow up in God, to put their confidence in Him and Him alone.
