"THE BIBLE" and The American Way.

71% of Americans in 2017 believe "The Bible is a holy document, inspired by God or containing God's own words", according to the new Gallup poll.

Media is DELIBERATELY "Bearing False Witness" by only reporting the worst POSSIBLE parts of this poll out of context to suppress the truth by reporting selected half truths while suppressing the whole truth. Don't buy their lies.

HOWEVER, 82% of Americans today SAY they are "Christians" or they believe in God of The Holy Bible, but our actions as a state or nation prove we really do not believe, because 82% of Americans self governing would not allow the 18% minority of the enemies of our God to destroy The American Way, God's way.

My heart has long been increasingly burdened for America, God's Chosen Nation for His people and purposes, just as Israel is God's Chosen Nation intended for God's chosen people, the Jews.

Our United States of America is a Republic of 50 Sovereign States, where each State is a separate Democracy that governs itself within state borders, elects Representatives by majority vote to serve as President, Senators, and House of Representatives. "We the People" are our own Local government, State government, AND Federal Government.

71% of Americans today who claim belief that "The Bible is a holy document inspired by God or containing God's own words" are the DOMINANT GROUP IN THE USA, with all the power and authority to Make America Great under ONE GOD of THE HOLY BIBLE, but make no mistake... America can NEVER be great again under "many gods", only under God of The Holy Bible.

"BELIEF" IN THE BIBLE MEANS NOTHING without our actions!

100% of demons in hell and roaming the earth BELIEVE in the BIBLE, and know it better than the 71% who claim it is from God. 100% of Demons know God, Jesus, but do the 71%?

71% of Americans BELIEVING would be obeying God's instructions in The Holy Bible, ACTING in God's name for God to get all the Glory as we Feed the Hungry, Clothe the Naked, Shelter the Homeless, Preach the Gospel, Train Disciples.

71% of Americans BELIEVING God's Words would not allow our nation to be dictated by God's enemies we have allowed to put us into Slavery...Economic, Cultural, RELIGIOUS SLAVERY!

71% would elect and select ONLY leaders that advance God's interests and agenda in our PULPITS and Governments. Our election criteria should ONLY be one simple choice...will they advance God's interests? Yes or No...maybe won't cut it.

No, 71% of Americans don't truly BELIEVE in The Holy Bible, regardless the new Gallup Poll, because our actions prove otherwise.

71% have the power over America, if we ACT like we truly BELIEVE "The Bible is a holy document inspired by God or containing God's words".

We will all stand before God very soon...it is only our ACTIONS today that will matter 100 years from now...if you believe God's word as I do. Past is past. Today matters more than any other day. Actions today for God & Country are in your control alone.
